TEHNi White

RAL Mat 7016

Slight colour differences between the catalogue images and the actual products are normal and acceptable due to the painting method.

Aufgrund der Färbemethode sind kleine Unterschiede in den Farben des Katalogs im Vergleich zu denen der industriellen Produktion akzeptabel.

Des moindres différences dans les couleurs sur le catalogue en comparaison avec celles de la production industrielle sont acceptables à cause de la méthode de peinture.

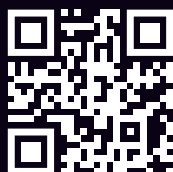

Piccole differenze nei colori del catalogo rispetto a quelli di produzione industriale sono accettabili a causa del metodo di tintura.

Μικρές διαφορές στα χρώματα του καταλόγου σε σύγκριση με εκείνα της βιομηχανικής παραγωγής είναι αποδεκτές λόγω της μεθόδου βαφής.
