MULTILAYER

TLS 90 Multilayer

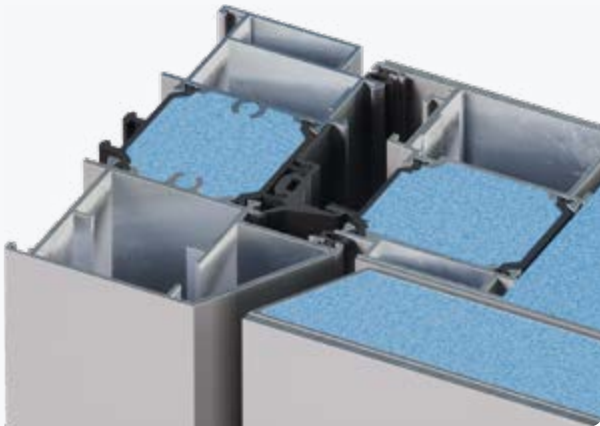

Engineered for superior thermal performance, it delivers exceptional energy efficiency and reliable security, making it ideal for projects where maximum insulation and comfort are top priorities.

Progettato per garantire prestazioni termiche superiori, offre un'efficienza energetica eccezionale e una sicurezza affidabile, rendendolo ideale per progetti in cui il massimo isolamento e il comfort sono priorità assolute.

Es wurde für eine hervorragende Wärmeleistung entwickelt und bietet eine außergewöhnliche Energieeffizienz und zuverlässige Sicherheit. Damit eignet es sich ideal für Projekte, bei denen maximale Isolierung und Komfort oberste Priorität haben.

Conçu pour offrir des performances thermiques supérieures, il garantit une efficacité énergétique exceptionnelle et une sécurité fiable, ce qui le rend idéal pour les projets où une isolation et un confort maximaux sont des priorités absolues.

TLS 90 Multilayer - Flush Inside & Expand Outside

TLS 90 Multilayer Section

	Burglar Resistance	RC2 Standard RC3 Upgrade Kit
	Thermal Transmittance (Ud)	0,82 W/(m2.K)
	Air Permeability	Class 4
	Resistance to Wind Load	Class C3/B3
	Watertightness	Class 3A
	Sound Reduction	36 dB

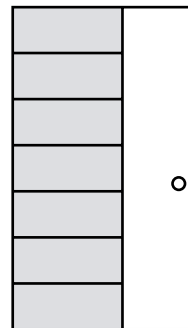

Multilayer

Built for strength and durability, these doors feature simple panels and clean designs for reliable, long-lasting performance.
